Dear Mrs Arkle

Satellite of Macclesfield SC

I am pleased to inform you that the ASA North West Region Management Board, at the meeting held on 25th March 2014, approved the updated Constitutional Rules of Satellite of Macclesfield SC.

Following the formal approval of the Rules by the ASA North West Region they can be implemented at any time subject to their acceptance by the members of Satellite of Macclesfield SC. In addition they are approved for a **maximum period of four years** from the date of the meeting unless Satellite of Macclesfield SC makes changes to the constitution.

Many congratulations on a successful submission of the constitution and I wish the club every success in the future.

Yours Sincerely
